COMMUNITY LEARNING / SAMPLE FORM

Workshop registration

Participant details / 12-13 December 2026 / Pune learning centre

1. Participant details

Full name *

Date of birth (YYYY-MM-DD)

Email address *

Phone number

Postal address

Country *

Postal code

Preferred contact method

- (●) Email
- ( ) Phone
- ( ) SMS

About this programme

This two-day community workshop explores practical ways to organise documents, design readable pages and share information. Bring a laptop if available; printed materials and a shared device station will also be provided.

Complete the fields marked with an asterisk. Other fields are optional. The information on these pages is a sample for trying form filling, saving and reopening a PDF.

Workshop information

Sessions and preferences

Choose sessions, attendance and any support you would like us to arrange.

2. Your workshop plan

- ( ) Hybrid

Meal preference

Experience (or type your own)

Number of attendees

1

Accessibility or equipment needs

- [ ] Send me the monthly learning newsletter
- [x] Send a reminder before the workshop

Programme at a glance

Saturday: welcome at 09:30, practical sessions until 16:30. Sunday: collaborative exercises from 10:00 to 15:30, followed by an optional showcase. A detailed timetable will be emailed after registration.

Workshop information

Review and confirmation

Check the details, add a typed confirmation and save a copy for your records.

3. Registration summary

Participant name (linked to page 1)

Registration reference (read-only)

WS-2026-DEMO-1042

Venue (read-only)

Pune learning centre

Registration is complete when the required participant details, session choices and attendance mode are entered. The name above shares the same underlying field as page 1, so changing either copy updates both.

4. Confirmation

Typed confirmation name *

Date (YYYY-MM-DD)

☐ I confirm the sample registration details are complete. *

Additional comments

Keep fields editable to continue making changes in another PDF reader. Choose a flattened copy when you want the entered values fixed on the page. The workshop-information link is included on every page.
